

Tues. Feb. 2nd 1982

Dear Nestlé,

I like (in fact love) your Quik but my mother won't buy it because you take advantage of the poor people of this world. So

~~your baby formula~~ **Please Stop** marketing ~~in poor countries!~~ going to sell it ~~please~~ sell it in places that have the people who have the proper education and way to use it.

Thank you,

Monica Kuehn
